WINTER HAVEN, Fla. (Oct. 12, 2018) – Have you ever fancied a flight aboard a Triple Decker Couch? Aspired to ascend the heights of Cloud Cuckoo Land? Fantasized fighting against a DUPLO® alien invasion? LEGOLAND® Florida Resort delivers all this and more at THE LEGO® MOVIE WORLD where guests can step into *THE LEGO MOVIE* universe and onto the streets of Bricksburg.

“THE LEGO MOVIE WORLD at LEGOLAND Florida Resort is the only place in the world that you can experience the pure wonder and imagination inspired by THE LEGOMOVIEuniverse,” said Rex Jackson, general manager of LEGOLAND Florida Resort. “We’ve been hard at work, building brick-by-brick, to create state-of-the-art experiences that bring *THE LEGO MOVIE* to life.”

Opening early spring 2019, THE LEGOMOVIE WORLD, created in partnership with Warner Bros. Consumer Products, will feature three family-friendly marquee attractions, inspired by the characters and themes of the worldwide blockbuster *THE LEGO MOVIE* and *THE LEGO MOVIE 2: The Second Part*.

- **THE LEGO MOVIE Masters of Flight:** Hop aboard Emmet’s Triple Decker Flying Couch! This flying theater attraction whisks guests away on an action-packed adventure on a suspended ride with a full-dome virtual screen, giving the sensational feeling of flying alongside some familiar and some new faces like Sweet Mayhem, a character set to debut in the upcoming feature *THE LEGO MOVIE 2: The Second Part*. The one-of-a-kind experience is the first attraction at a major theme park in the United States that embeds a 180-degree turn in the ride experience.
- **Unikitty’s Disco Drop:** Enter through the rainbow portal to join the fun with Unikitty and her many personalities. This ride swoops guests to the tiptop of Cloud Cuckoo Land, then drops, spins and bounces them back down to earth, creating a thrilling and fun experience.
- **Battle of Bricksburg:** Calling all Master Builders! DUPLO® aliens have invaded Bricksburg to come and play! Riders are challenged to stop DUPLO® aliens from invading and stealing LEGObricks by spraying water at targets.

Finish off the day in downtown Bricksburg, the home of Emmet’s Super Suite, a character meet-and-greet experience where guests can hang out with Emmet and all of his friends inside his apartment, the

Designed with familiar scenery and beloved characters from the movie, no detail is left untouched. Adults can relax in a room inspired by Emmet's bedroom, while kids dream of spaceship adventures in the children's room, modeled after Benny's Spaceship.
